

PUBLIC LEDGER

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1904.

MAYSVILLE, KY., THURSDAY, FEBRUARY 4, 1904.

ONE COPY—ONE CENT.

THE CASE.
I'm suing in the court of love
To win a maiden's hand,
And Cupid has subpoenaed me,
So I must take the stand.
I witness that she kissed me once
And let herself be kissed.
The jury brings its verdict in
And asks the case dismissed.
The Judge decides that as a fair
Another kiss will do.
You see the fair defendant is
The Judge and jury, too.

POSITIVELY

Copy for "changes" in advertisements **MUST** be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 21, and let us know it.

Mr. W. E. Lane, who has been quite ill for the past week, is able to be out.

Mr. Charles Creekham and Mrs. Louise Neider were married a few days ago at Ripley.

Mrs. George Pogue, a sister-in-law of Mr. James N. Pogue and Mrs. H. C. Hawkins of Mayslick, died recently at Jamestown, Mo.

In the suit of the Commonwealth of Kentucky, etc., vs. Vanderbilt, etc., taken from this county, the motion of the C. and O. Railroad Company to file a brief in the Court of Appeals was submitted.

The Ashland City Council has given the Water Company of that place nine months in which to improve its system so that pure, clear water will be furnished patrons, instead of the present muddy grade.

Miss Katie Coleman of East Second received a fall during the sleety weather and for a time her friends were considerably exercised as to the extent of her injury. Though yet painful at times, she is being restored to health.

The scinder walk recently put down along the Second street side of the old ball park is a decided improvement over the old mud-way. The new walk needs to be evened up by putting more scinders in depressed places and thus prevent water pools gathering.

M. C. Russell Co. yesterday received a carload of potatoes from Wisconsin, which were rejected after reaching this port. The car in which they were shipped had been kept overheated, causing the potatoes to turn black in the center, and M. C. R. Company does not sell that class of goods to their patrons.

SOCIAL EVENTS

Miss Emma Campbell of Fourth street entertained last evening with a musical at which Mr. Rosecrans Murphy was the honored guest and delighted the chosen few with some choice selections, which were charmingly rendered.

The evening was one of enjoyment—it could not be otherwise with Miss Campbell as hostess.

Circuit Court.

Judge W. M. Beckner of Winchester took the oath as required by law, and was admitted as an attorney and counselor at law at this bar.

The case of Mary E. Gifford, for concealing the birth of a child, was, owing to the absence of important witnesses for the Commonwealth, suspended until next Monday.

The trial of Elsie Owens, for wilful murder, is now being heard.

At the Tranter-Kenney horse sales in Lexington Tuesday, Mr. Ed Richeson of this city purchased "Billy Wiggs," by Wiggins, 2:19 1/2, for \$120.

The good number 913 was held by Mrs. H. T. Muselman, and has been delivered to her by Mr. Murphy, the popular Jeweler.

Rev. H. T. MURPHYMAN.

AN ARCTIC SCENE

As Far as the Eye Can See There's Nothing But Ice in the River

The stage of the river here is about 10 feet and falling.

At no time during the winter has the Ohio had a more portentous appearance than now to rivermen and craft.

It is three-fourths full of heavy floating ice.

It is an Arctic scene that presents itself to view as far as the eye can reach up and down the river.

Two piers catch and hold fast a large body of ice and a good-sized pyramid has been formed on their base.

The rivermen will again have to pass through the same ordeal and anxiety that they have just come out of, with the same chance of loss of life and property.

THE REVIVAL SERVICES

Much Good Accomplished By the Woman Preacher

The revival services at the Second M. E. Church, South, are still in progress.

There have been over seventy-five conversions, with about forty additions to the Church. The meetings have been largely attended and a deep interest manifested throughout.

Miss Mahan, the evangelist, has created a good impression here and while some are not in favor of women preachers a large majority are.

If there is such a thing as saving one's soul, what difference does it make whether it be a man or woman that does the saving?

The woman Preacher is all right, and should she ever return will receive a warm and cordial welcome from all for the good she has done during this meeting.

You that have not heard her should take this opportunity and go tonight.

FORMER MAYSVILLIAN

Forging His Way to the Front in a Southern City

If there is one thing above all others that THE LEDGER delights in it is to speak well of one and to note his upward and onward progress in life. The Nashville (Tenn.) Banner of Monday, February 1st, contained the following, which gives prominence and honor to an ex-Maysvillian, hence its appearance in these columns.

At a meeting of the Directors of the State Trust Company, organized by Mr. Edgar Magness, former Cashier of the City Savings Bank, held Saturday afternoon, Mr. Magness was elected President, Messrs. J. E. McCall and Samuel Scoggins, Vice-Presidents, and Mr. John C. Adamson, Cashier.

Mr. Adamson, the new Cashier, is at present office man of Adamson & Co., candy manufacturers on Broad street. He will resign this position to accept the Cashiership of the Trust Company, but will retain his interest in the manufacturing business, which will be conducted by his brother, Mr. E. E. Adamson, senior member of the firm.

Mr. Adamson came here two years ago from Maysville, Ky., where for six years he was book-keeper for the First National Bank and Secretary of the Frank Owens Hardware Company for eleven years, so it will be seen that he has had experience in the banking business.

The Directors of the Trust Company have let the contract for office furniture and will open the Bank on the 15th at 403 Union street.

A Cure for Eczema.

My baby had Eczema so bad that his head was a solid mass of scales, and his hair all came out. I tried many remedies but none seemed to do any permanent good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scales are gone and the little one's scalp is perfectly clean and healthy, and his hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name of E. C. DeWitt & Co. is on every box. Sold by J. J. Wood & Son, Druggists.

A BUNCH OF KEYS TONIGHT.

That funny old farce comedy, "A Bunch of Keys," is the attraction at the Opera-house tonight and from the appearance of the advance sale the "bunch" will be greeted by a big house. Plenty of new songs, dances and humorous incidents will be introduced and should make a pleasant evening's entertainment. Lonise Sanford, whom we have seen here with "The Devil's Auction," and Will J. Fitzgerald head the cast. Better get your seats now at Ray's.

Special Request.

It is our earnest request to all appearing in the columns of this paper, or when buying goods from a merchant whose advertisement appears in this paper, our readers are especially requested to state that they saw the advertisement in THE PUBLIC LEDGER. This will cost you nothing, and it will be gratefully appreciated by both the advertiser and the Editor.

The liabilities of Dan T. Fischer, who assigned at Flemingsburg a few days ago, amount to about \$12,500. His assets are nearly \$9,000.

Our Entire Force in Our Store!

we are glad to say, are comprised of home talent. Our last acquisition to our force is our Cutter, Mr. Charles McNamara. Under his supervision of our Tailoring Department we are going to infuse new life into Maysville's Merchant Tailoring Business. With that view, we have bought—and they will soon be here—a most elegant line of Suitings and Trouserings from the celebrated house of E. H. Van Ingen & Co., New York. Regarding the ability of Mr. McNamara, we can but say that all of our custom work will be guaranteed to be first class in all respects. If not, you do not have to take it. Watch for the date of the opening of our Spring Line of Suitings and Trouserings.

An Early Riser.

A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to get, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by J. J. Wood & Son, Druggists.

Today it stands a perfect model of its kind, a very triumph of merit. Seats on sale at Ray's Friday at 1 p. m.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

COLONEL JOHN D. LITTLEJOHN, Editor of The Grayson Tribune, is a candidate for Delegate from this District to the National Convention at Chicago. Mr. LITTLEJOHN's services to his party certainly entitle him to this compliment, and he may get it, as there's no salary attached. If it were otherwise, the other fellow would be given the place. Editors generally do not get anything that anybody else wants.

The Congress and the President don't agree, and it looks very much like the country is on the side of Congress. An item of \$190,000 was inserted in the General Deficiency Appropriation Bill, for payment of mileage to members, on the idea that there had been a "recess" between the called and regular sessions of this Congress. But when the matter came to a vote, Congress very properly decided that there had been no "recess," the present session beginning immediately after the gavel fell closing the called session, and the \$190,000 was therefore stricken out of the bill. The President, it will be recalled, insisted on re-nominating Dr. WOOD, white, for Major General in the Army, and Dr. CROW, colored, for Collector at Charleston, S. C., claiming them as "recess" appointments. The fact that Congress has now declared officially that there was no recess in which these appointments could have been made, it's right up to Teddy to tell how old ANNA MARIA is.

In a fight near Monastir, Macedonia, seven insurgents and five Turks were killed.

The main dining-room, the dormitory and laundries of the State Normal College at Greensboro, N. C., was destroyed by fire. Three hundred and fifty young women students of the college were rescued by heroic work. The loss is not known.

FIFTH TOBACCO FAIR

List of Premiums For Tobacco, Corn, Wheat and Potatoes

The fifth annual Tobacco and Corn Fair will be held in Maysville Saturday, February 20th, 1904. It will be bigger and better than ever. There will be excursion rates on all railroads, and eminent speakers will deliver short addresses. Music will be furnished by two bands. Samples of tobacco must contain twelve hands and exhibitors must state that sample was grown by him or on his land. All samples must be shown in class to which they belong. They must be in the Courthouse not later than 11 o'clock, Saturday, February 20th.

The exercises at the Opera-house begin promptly at 1 o'clock, and a train on the L. and N. will leave after the Fair.

Below is a list of the premiums to be awarded: Cigarette—First premium \$50, second premium \$25, third premium \$10, fourth premium \$5.

Light Leaf—First premium \$40, second premium \$15, third premium \$10, fourth premium \$5.

Lugs—First premium \$20, second premium \$10, third premium \$5, fourth premium \$2.50. Red Leaf—First premium \$25, second premium \$15, third premium \$10, fourth premium \$2.50.

White Corn—(Twenty-five ears make a sample) First premium \$3, second premium \$2, third premium \$1.

Yellow Corn—(Twenty-five ears make a sample) First premium \$3, second premium \$2, third premium \$1.

Wheat—(One peck of wheat, any kind) First premium \$2, second premium \$1, third premium \$1.

Potatoes—(One peck, any variety) First premium \$2, second premium \$1, third premium \$1. Address for further information John Duley, President of the Board of Trade, or H. C. Curran, Secretary of Board of Trade, Maysville, Ky.

It really looks like Mr. BRYAN was to the Democracy as much an elephant as the G. O. P.

PENDING an official reception in Washington a few nights ago an order was issued to certain military officers to wear "Special Uniform A," which is noted chiefly for its superabundance of knotted gold lace. Looks like Uncle Sam's officials are fast being converted into flunkies. Imagine, if you can, General GRANT, bluff PHIL SHERIDAN or plain old BILL SHERMAN covered with gold lace and howing and scraping to bankrupt "Lords" and other broken-down aristocrats.

The total cost of the big St. Louis show will exceed \$50,000,000, and the management expects that the gate receipts for the six months will realize that amount. It is quite likely that the management will be somewhat disappointed—unless it charges about \$2 per for admissions. The Chicago World's Fair, which also was open six months, had 27,529,400 visitors, including men, women and children—and other dead-heads,—and it is hardly to be expected that St. Louis, with her present railway facilities, can handle a much greater number, if indeed she can handle that many. On Chicago Day alone there were 761,942 admissions, considerably more than the entire population of St. Louis; and the total receipts for the six months were only \$14,117,382—which looks like \$3 and six-bits alongside of \$50,000,000.

Political Pickings

CAPTAIN DREYFUS AND CALEB POWERS.

Ohio State Journal.

A striking parallel may be drawn between the case of Captain Dreyfus of France and that of Caleb Powers of Kentucky. Dreyfus was the innocent victim of race prejudice gone mad. Powers is the victim of mad partisan prejudice. Sentence was inflicted on each by men who hated the prisoner, not for what he had done, but for what he was.

But the parallel cannot be continued. Dreyfus is assured of absolute vindication by the very men who once sought to seal his doom. Powers lies in prison awaiting the gallows. Race prejudice has receded from the extremity of its madness. Partisan prejudice has not.

France vindicates Dreyfus. Will Kentucky allow Powers to hang?

Tendency of the Times.
The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by J. Jas. Wood & Son.

can be no stronger nor more certain protection
than the wondrous strength imparted to the
entire system by Paine's Celery Compound.

changes of weather. I contracted La Grippe

ATTENTION, FARMERS!

Be on Hand at the Fifth Annual Tobacco Fair the 20th

To the Farmers: Let me urge you to get samples of tobacco, corn, wheat and potatoes ready to exhibit at the Tobacco Fair. It may cost you some labor, and the small quantity of whatever you exhibit. You have an equal chance however with your neighbor to secure a liberal premium.

Besides you are advertising to the world the superior quality of Mason county soil. You are showing that you are up-to-date, progressive farmers.

Let me beg that you make the best display at the fifth annual Tobacco Fair that has ever been made anywhere. We want to send a part of the tobacco to the St. Louis Exposition. Bring on your samples. Yours truly,
JOHN DUBLEY, President Board of Trade.

A WOMAN'S COMPLEXION.

It is rank foolishness to attempt to remove so lowness or greenishness of the skin by the use of cosmetics, or "local" treatments as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, indigestion, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25c; regular size, 75c. At Henry W. Ray's Drugstore.
